**Dundee Partnership**  
**Community Regeneration Fund**

**Grant Application**  
**2024/25**

Applicant Information	
Name of Applicant Group	Menzieshill Local Management Group
Activity Title	LMG support to projects
Grant Requested (£)	£1766

- The Physical & Environmental Improvement Fund is to provide financial assistance for community initiatives aimed at improving the local area through Capital expenditure. Capital expenditure is something of a physical nature including the acquisition, improvement or structural enhancement of an asset valued at £6,000 or more.

- The Youth Inclusion Fund is to provide financial assistance for community initiatives aimed at working with Children and Young People. Applications should be for an activity (or activities) focused on including children & young people in activities, diverting young people from an existing undesirable activity or preventing them joining in with such activity. This should reflect a need that children and young people have been consulted on.

- The Small Grants Fund is for other applications that contribute towards achievement of the Dundee City Plan / Local Community Plan, usually up to £5,000, but there may be lower local restrictions on the amount. Therefore, it is important to check with the relevant Community Worker as listed on page 8 for any local restrictions or other requirements.

This application should address needs in one of the below Wards within which the Dundee Partnership supports activity. If an activity covers more than one Ward then an application is required for each Forum, but it is essential that each application can stand on its own if agreed and that the application is not for a city-wide activity, but a local activity that is to take place in more than one Ward.

## Checklist for the DP Community Regeneration Fund Application Form

Before submitting your application form to the Dundee Partnership Team, please use the below checklist to ensure that your form is as fully completed as possible. Please also note that submitting an incomplete form can cause delays in processing or rejection of your application.

### Have you:

- Read the guidance sections of the form
- Fully completed the information on the front of the form
- Provided a response to all sections of the application form (including indicating a section as 'N/A' where relevant)
- Checked that your budget adds up properly?
- Checked that your start date is after the date at which funds could be available, (see page 6) and that your end date is within the financial year?
- Included appropriate, measurable outputs & outcomes?
- Provided your groups accounts, or other appropriate financial information?
- Sourced and attached all relevant quotes? (multiple quotes are required where >£5,000 is being applied for to ensure value for money is being considered)
- Checked that the bank details or financial code are correct / complete?
- Signed the form, given accurate contact details and ticked the GDPR box?

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

<b>Who is the grant for?</b> (Name of Applicant Group / Department)	Menzieshill Local Management Group		
<b>Did you receive a Dundee Partnership grant during 2023-24?</b> (If yes, list all grants below)			<b>YES / NO</b>
<b>Title of project funded</b>	<b>Amount granted</b>	<b>When</b>	<b>Was it fully spent?</b>
Cost of living grant	£410	Dec 2023	yes
Summer Family fun days	£3200	July 2024	yes
Fresh food grant	£2250	July 2024	yes

**Please give a description of what you want this grant for** - (please limit your answer to 500 words or less)

### **Childrens group**

We have had karate for primary age children running for around 3 years and numbers have been reducing. We have met with the tutors who feel children are lacking in certain skills and they have suggested taking the class back to basics – by introducing multi sport and games which will build confidences and develop team work along with co-ordination skills. This will give the young people the skills they would need to move onto specific sports including karate.

We work hard to ensure the cost of all our groups are kept as low as possible to allow everyone to attend. For groups to continue all we need is enough people attending to ensure the tutor costs are met. At the moment we charge £1.50 per child for the class but would like to take this down to 50p to make sure we are as inclusive as possible. We are looking at funding to support us with the tutor costs to ensure we can change the costs to 50p per child.

### **Community garden**

The community garden has 32 raised beds which have all been allocated to local groups and individuals. A polytunnel is in the garden and has been badly damaged by recent storms and vandalism. The gardeners have missed using this for potting the past few seasons and have asked if it can be re-introduced. Since the food hub took over the pavilion, they no longer have any space to do this.

### **Food hub**

The food hub runs twice a week and supports over 300 people per week. We run from the community garden which is a stand alone building at the back of the community centre. We are asking for 50% of costs for a 12ft banner advertising the food hub which we can have along the top of the pavilion. This can show local people where the food hub is and when it is on. As the food hub is not within the centre it can be confusing to new people.

**Which City Plan / Local Community Plan Outcome(s) will it address?**

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

Children and Families and cost of living  
– improving life changes for children by introducing new sports group for primary age children at an affordable cost

Health and well being and cost of living

**How many people will benefit from this project?**

400+

Will any specific groups benefit from this project? (male, female, age range or protected characteristic)

Children age 5-11

**Please say why the project is needed** (please limit your answer to 500 words or less)

Childrens work

There is a significant lack of inclusive sports and groups for children in the area at affordable costs.

There are lots of team sports running in the area but these costs are high and lots of local families are unable to meet these costs particularly if they have more than 1 child interested in certain sports.

Garden

The gardeners have no space to grow or pot out with their raised bed the polytunnel will allow each of the gardeners space to have a potting tables and grow bags for certain veg which does not grow well outdoors. .

**What local consultation has taken place regarding this application?**  
(Please attach evidence summarising the results of any consultation)

Local families and tutors

Local groups\school and individuals who have plots in the garden

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

**What evidence do you hold that the local community supports this application?**  
 (For example, was it proposed by members of a particular group? Does it directly address need identified by community members?)

We have spoken to our family group and those who attended karate previously. We started the new group on Monday and had 15 people attend with only 2 days advertising.

Community gardeners have requested a new polytunnel for use.

**How will the project / activity tackle deprivation or benefit those experiencing deprivation?**  
 (Refer to Section 1 of the Guidance Notes)

By keeping costs as low as possible

**For Physical & Environmental Improvements (which must be Capital worth at least £6,000 in value) the following questions must be answered:**

**Have all relevant permissions been agreed?** (please state what these are)

**How will the planned project be maintained?** (please state who will be responsible for this)

**What is the expected 'life' of the improvement?** (e.g. before it will require replacement)

**Could a plaque indicating the Community Regeneration Fund as a source be added on location for this award?** (If there would be additional costs for this, please indicate this in the budget section)

**What other sources of funding have you secured / tried to secure for this project?**

• **If none, please state why this is the case**  
 (Detail below, including applications that are pending or that have been turned down. We may ask for further evidence of an application for other funding)

Source of Funding (detail if this funding is for more than 1 year, if applicable)	£
Rotary club – poly tunnel (awaiting decision)	£1000

**What are the costs of your activity and how much money is required?** Please give specific details (expand list / use an additional sheet if required) and provide all quotes (good practice for

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

applications for over £5,000 is to provide three quotes to ensure value for money is received, and we will require to see these where relevant).

Cost Heading	Full Costs (£)	DP Aid (£)
Tutor costs at £25 per hour – 22 weeks (term time)	£550	£550
Poly tunnel – repair and install	£2019	£1000
12ft Banner – food hub and design costs	£249	£216
<b>Totals</b>	<b>£2818</b>	<b>£1766</b>

- **All applicants are required to submit a copy of the group's most recent annual accounts with this application. These will be used to help determine eligibility for funding, and WITHOUT THEM AN APPLICATION WILL NOT PROCEED**
- **If reserves held are less than three months operating expenses please confirm this below**

Note that if you have already submitted your accounts within this financial year, further copies may not be needed - please check with the Dundee Partnership Team if unsure

---

**What other documents are you attaching to evidence the budget costs for this application?**  
(e.g. quotes, estimates, projected income and expenditure)

**How do you intend to monitor the project Outputs and Outcomes?**

We will continue to consult with those attending and a register is taken every week to allow us to know how many people attend weekly.

<b>What is the planned start date of the event/activity?</b> Please note turn around on applications is 6 - 10 weeks and funding cannot be retrospective (see section 2 of the guidance notes)	21 <sup>st</sup> Oct
<b>What is the planned end date of the event/activity?</b>	31 <sup>st</sup> March 2025

### Outputs & Outcomes

It is expected that applicants will have evidence to support performance information when completing returns on the performance against target. Consideration of this should be given when outputs and outcomes are set out.

Applicants will usually refer to one City Plan / Local Community Plan Outcome, but the opportunity is given for up to two, if required. **Please refer to section 3 of the Guidance Notes** for examples of outputs and outcomes / indicators.

## GUIDANCE NOTES

### Section 1 - Criteria & Requirements

If you require assistance in completing this form, please contact your local Community Worker using the details given on page 9.

#### CRITERIA

- Applicants must highlight the relevant Outcome(s) relating to their application from the City Plan or Local Community Plan (see section 3 below) and **explain how their application will assist in closing the gap for the most disadvantaged people and children i.e. those living in Community Regeneration Areas (CRA)**
- It is expected that applicants will explain how the application may assist in delivering on actions in the relevant Local Community Plan (available at [www.dundee.gov.uk](http://www.dundee.gov.uk) under Community Planning or from local Community Workers)
- **It is also preferable for applications to focus on the 15% most deprived areas as set out in the Scottish Index of Multiple Deprivation** (Community Workers will provide appropriate maps upon request). These are mostly within the CRA boundaries.
- Forums will be expected to demonstrate that they are supporting the Dundee Partnership's commitment to tackling deprivation by 'closing the gap' between the best and worst off in Dundee. For further information please refer to 'For Fairness in Dundee' (copies available from local Community Workers)
- Applications for Physical or Environmental Improvements must be made up of at least £6,000 of Capital development
- Applications **from school staff and parent councils are no longer eligible for Small Grants or Youth Inclusion funding**. Consideration should instead be given to applying for Pupil Equity Funding or other external funding. Applications for Physical & Environmental applications are still allowed

#### REQUIREMENTS

- **All applicants must submit the latest copy of their annual accounts**. These must clearly show what funds are available to the applicant i.e. the level of reserves held, and the overall annual expenditure of the applicant and will be used to help determine eligibility for funding
- **Estimates / Quotations for expenditure are necessary in all cases** and detailed quotes (including company number and other details) are required. Good practice is to secure three competitive quotes for larger items of spend and these should all be submitted along with the application as evidence of seeking value for money
- All applications for Physical or Environmental Improvements must state how maintenance will be carried out
- **All Small Grant & Youth Inclusion agreed funding must be spent by 31<sup>st</sup> March 2025**. A short extension beyond 31<sup>st</sup> March may be available for Physical & Environmental Improvement approved funding. Unspent funds will be reclaimed

#### ADDITIONAL GUIDANCE

- Where possible, applicants should seek funding from another source before applying for DP Community Regeneration Funding. This will help it maximise the overall level of funding available to communities across Dundee. In order to achieve this, applicants should plan and apply well in advance of their activity taking place.

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

### Section 2 - Process

- 1) Applicants are to complete the application, inclusive of financial and any other evidence required and provide to the Dundee Partnership Team and relevant Community Worker (see below). **Applications must be fully completed, signed and include all relevant bank details or code transfer information**
- 2) Completed applications, with all necessary supporting evidence, are to be submitted and final funding decisions will be made at Building Stronger Communities meetings on the following dates:

Application Deadline 2024/25	Final Approval
1 <sup>st</sup> March	11 <sup>th</sup> April
29 <sup>th</sup> March	16 <sup>th</sup> May
3 <sup>rd</sup> May	13 <sup>th</sup> June
31 <sup>st</sup> May	11 <sup>th</sup> July
28 <sup>th</sup> June	15 <sup>th</sup> August
2 <sup>nd</sup> August	12 <sup>th</sup> September
6 <sup>th</sup> September	17 <sup>th</sup> October

Application Deadline 2024/25	Final Approval
4 <sup>th</sup> October	14 <sup>th</sup> November
1 <sup>st</sup> November	12 <sup>th</sup> December
29 <sup>th</sup> November	16 <sup>th</sup> January
3 <sup>rd</sup> January	13 <sup>th</sup> February
31 <sup>st</sup> January	13 <sup>th</sup> March
7 <sup>th</sup> March	17 <sup>th</sup> April

- 3) Community Workers will contact all applicants as part of the Assessment process, after which the application will be uploaded on the [dundeivoice.communitychoices.scot](http://dundeivoice.communitychoices.scot) website, to allow more local people to learn about applications and give feedback prior to discussion of the application at the Local Community Regeneration Forum
- 4) Applicants will be informed of the final decision on their application after the relevant meeting of the council's Building Stronger Communities Group
- 5) If applications are unsuccessful at any point during the process, the applicant will be notified in writing by the Dundee Partnership Team
- 6) Successful applicants will be required to sign an acceptance form agreeing to the terms and conditions. These are required to be with the Dundee Partnership Team before money is released
- 7) **Payments cannot be made retrospectively** (all activity and expenditure must be after the approval date at Building Stronger Communities)
- 8) Providing monitoring returns on performance and financial expenditure are part of the terms and conditions relating to an award. These forms will be provided by the Dundee Partnership Team to successful applicants. **Failure to provide these reports will result in any further applications being rejected until such time as satisfactory reports and evidence have been received**

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

### Section 3 - Outputs & Outcomes

Applicants should select the appropriate Dundee City Plan Outcome or Local Community Plan Outcome to which their application relates most closely and within which their outputs and outcomes can be recorded. (Both plans are available at [www.dundee.gov.uk](http://www.dundee.gov.uk)).

#### ACTIVITY OUTPUTS & OUTCOMES

##### Outputs

These are details of activities (i.e. *what you will do*) and will have numeric targets such as:

- Hold a community event for 400 people. Target = 400 people
- Hold 10 daytime activity sessions over a 10 week period. Target = 10 sessions (you would also be likely to include an output and target for the numbers attending each session)
- 8 hours of street work by two workers per week over 50 weeks. Target = 400hrs

**Please only include outputs that are key to the activity/project.** If you are unclear about what you should include, contact your local Community Worker in the first instance.

##### Outcomes / Indicators

These are measures to show the impact of the activity/project (i.e. *what difference you will make and to whom*). There does not have to be a set target, but a numeric response should be possible at the end of the activity

Whilst setting out the outcomes / indicators, **applicants need to be sure that these will be measurable from their recorded data** (or other data that they are able to access) for their own benefit, that of the Forum and of the Dundee Partnership. If you are unclear about what you should include, contact your local Community Worker in the first instance.

- Number of participants reporting an increased knowledge of the benefits of exercise (could be recorded on feedback forms)
- Young people will better understand the dangers of substance misuse (again a feedback form could be used)
- There is a reduced level of reported anti-social behaviour and criminal activity (information from the police could be used)
- Local residents report being happier with their local area (this could be based on information from annual DCC questionnaires or other, more specific, feedback gained at e.g. community events)

#### COMMUNITY WORKERS

Each of the Wards listed below has a Community Worker/Communities Officer with a specific responsibility for supporting the activity of the local Community Regeneration Forum, including providing support to potential applicants. The contact details for these workers are given below.
