## Grant Application 2025/26

Applicant Information	
<b>Name of Applicant Group</b>	Ardler Village Trust (SCIO)
<b>Activity Title</b>	Kitchen Equipment upgrade 2026
<b>Grant Requested (£)</b>	£1,625.35

- The Youth Inclusion Fund is to provide financial assistance for community initiatives aimed at working with Children and Young People. Applications should be for an activity (or activities) focused on including children & young people in activities, diverting young people from an existing undesirable activity or preventing them joining in with such activity. This should reflect a need that children and young people have been consulted on.

- The Small Grants Fund is for other applications that contribute towards achievement of the Dundee City Plan / Local Community Plan, usually up to £5,000, but there may be lower local restrictions on the amount. Therefore, it is important to check with the relevant Community Worker as listed on page 8 for any local restrictions or other requirements.

This application should address needs in one of the below Wards within which the Dundee Partnership supports activity. If an activity covers more than one Ward then an application is required for each Forum, but it is essential that each application can stand on its own if agreed and that the application is not for a city-wide activity, but a local activity that is to take place in more than one Ward.
