Community Regeneration Fund

Grant Application
2025/26

Applicant Information	
Name of Applicant Group	Lochee Residents & Tenants Association
Activity Title	Lochee Christmas event
Grant Requested (£)	£1333

- The Youth Inclusion Fund is to provide financial assistance for community initiatives aimed at working with Children and Young People. Applications should be for an activity (or activities) focused on including children & young people in activities, diverting young people from an existing undesirable activity or preventing them joining in with such activity. This should reflect a need that children and young people have been consulted on.

- The Small Grants Fund is for other applications that contribute towards achievement of the Dundee City Plan / Local Community Plan, usually up to £5,000, but there may be lower local restrictions on the amount. Therefore, it is important to check with the relevant Community Worker as listed on page 8 for any local restrictions or other requirements.

This application should address needs in one of the below Wards within which the Dundee Partnership supports activity. If an activity covers more than one Ward then an application is required for each Forum, but it is essential that each application can stand on its own if agreed and that the application is not for a city-wide activity, but a local activity that is to take place in more than one Ward.

Please give a description of what you want this grant for - (please limit your answer to 500 words or less)

Given the success and popularity of previous Christmas Light events, we would like to provide a free community light switch event in the main High Street of Lochee which will involve; local schools and nurseries, churches, pipe band, library, community Hub, street entertainment and local shops with an attendance of around 400-500 people. It is important that we can bring local people together providing free food, juice and activities for all.

We want to expand the lamp post lights along Lochee High Street and into Bank Street and St Annes lane adding 4 wrap lights which require an electricity supply to be fitted as we already have the wrap lights

Last year we were given a living tree, we would like a little money to buy a few decorations and lights for it this year.,

<p>Which City Plan / Local Community Plan Outcome(s) will it address?</p> <p>Social exclusion and isolation Empowering Communities Cost of Living</p>

<p>Will any specific groups benefit from this project? (male, female, age range or protected characteristic)</p> <p>Children and Families</p>	

<p>Please say why the project is needed (please limit your answer to 500 words or less)</p> <p>The Lochee area has its own definition of community and likes to celebrate its unique culture through the hub of its community which is the High Street. Having an event that is totally free allows people, in this instance, the opportunity to come together and celebrate is desperately needed by the community. Lochee often gets a bad reputation, we want to be able to highlight the community spirit, provide free food and activities particularly when times are so hard for every one given the rising cost of living. We always get amazing anecdotes from people who get a lift from seeing the festive lights, so we want to organise this again for 2025</p>

What local consultation has taken place regarding this application?

(Please attach evidence summarising the results of any consultation)

We have a group of stakeholders that meet regularly to organise events who have fed back that the community want to see this again after last years success.

What evidence do you hold that the local community supports this application?

(For example, was it proposed by members of a particular group? Does it directly address need identified by community members?)

The feedback from residents is sufficient to indicate they want this event. We will undertake an exercise through the local CLD team to record the impact of the event from those who attend. The large number of local residents have expressed an interest in helping at the event as proven last year.

How will the project / activity tackle deprivation or benefit those experiencing deprivation?
(Refer to Section 1 of the Guidance Notes)

Lochee is one of the poorest communities in Dundee and Scotland. Financial worries often stop families from participating in more expensive city centre events, so it is vital to provide something local to them. All activities are provided free of charge. We are working with a local café to provide the food at no cost to participants. We are aware of the rising cost of living and the desperate situation people are facing. This event will help people access services that can support their personal needs.

What other sources of funding have you secured / tried to secure for this project?

- **If none, please state why this is the case**

(Detail below, including applications that are pending or that have been turned down. We may ask for further evidence of an application for other funding)

What are the costs of your activity and how much money is required? Please give specific details (expand list / use an additional sheet if required) and provide all quotes (good practice for applications for over £5,000 is to provide three quotes to ensure value for money is received, and we will require to see these where relevant).

Cost Heading	Full Costs (£)	DP Aid (£)
Power supply and fitting plus vat	£1069	£1069

Decorations and lights for tree	£50	£50
VAT at 20% for power supply & fitting	£214	£214

- **All applicants are required to submit a copy of the group's most recent annual accounts with this application. These will be used to help determine eligibility for funding, and WITHOUT THEM AN APPLICATION WILL NOT PROCEED**
- **If reserves held are less than three months operating expenses please confirm this below**
Note that if you have already submitted your accounts within this financial year, further copies may not be needed - please check with the Dundee Partnership Team if unsure

(e.g. quotes, estimates, projected income and expenditure)

We will undertake an exercise through the local CLD team to record the impact of the event with those who attend. We will also triangulate the numbers attending from three sources.

Please note turn around on applications is 6 - 10 weeks and funding cannot be retrospective (*see section 2 of the guidance notes*)
