### **Grant Application** **2025/26**

<b>Applicant Information</b>	
<b>Name of Applicant Group</b>	Yusuf Youth Initiative with partners in North East
<b>Activity Title</b>	Tackling poverty and social isolation
<b>Grant Requested (£)</b>	£5000

- The Youth Inclusion Fund is to provide financial assistance for community initiatives aimed at working with Children and Young People. Applications should be for an activity (or activities) focused on including children & young people in activities, diverting young people from an existing undesirable activity or preventing them joining in with such activity. This should reflect a need that children and young people have been consulted on.

- The Small Grants Fund is for other applications that contribute towards achievement of the Dundee City Plan / Local Community Plan, usually up to £5,000, but there may be lower local restrictions on the amount. Therefore, it is important to check with the relevant Community Worker as listed on page 8 for any local restrictions or other requirements.

This application should address needs in one of the below Wards within which the Dundee Partnership supports activity. If an activity covers more than one Ward then an application is required for each Forum, but it is essential that each application can stand on its own if agreed and that the application is not for a city-wide activity, but a local activity that is to take place in more than one Ward.

**Please give a description of what you want this grant for - (please limit your answer to 500 words or less)**

The funding will support the continuation of the support Café at Finmill Community Centre. In 2024-25 we have managed to support an average of 25 service users at the café. The café largely supports individuals and families including the elderly that are struggling with social isolation or poverty. The Café provides a free lunch and also referral support through partner organisation, befriending and games and activities for service users to socialise. The Café runs with a Kitchen co-ordinator, befriending/support organisation staff member and 4 volunteers.

The grant funding helps with staff wages and food ingredients to make the lunches. The Café runs weekly every Wednesday from 12-2pm with time allocated before and after to prepare the food and clear up the kitchen after. The second staff member co-ordinates with partner organisations, follows up referrals, plans holiday programmes and activities for adults and young people.

We also run a successful holiday club supporting 5 young children and their families with warm lunches and activities.

**Which City Plan / Local Community Plan Outcome(s) will it address?**

Dundee will be a fair and socially inclusive society.

<b>How many people will benefit from this project?</b>	250
Will any specific groups benefit from this project? (male, female, age range or protected characteristic) No	

**Please say why the project is needed (please limit your answer to 500 words or less)**

The support café provides is an amazing set up for people to come in, share food and friendships. The Café has provided a safe space for service users without any stigma. Mental health has had a massive impact post covid and many people were reluctant to come out and meet others. The mental health impact also affects poverty and vice versa. Many of our service users come and then want to take part in volunteering (all our volunteers are ex-service users), gain accreditation and many go on to positive destinations.

Since January 2022 we also introduced a befriending service. Our staff member provides access to a tablet PC where people can see benefits advice/support, they can share ideas and also play activities and games. Over the holidays we provide activities for kids too. The Café becomes much more than a lunch but a place for people to feel good and take positive steps towards making better choices in their lives.
