## **Dundee Partnership** **Community Regeneration Fund**

### **Grant Application** **2022/23**

Applicant Information	
Name of Applicant Group	Brington Sheltered Housing Complex
Activity Title	Garden Furniture Refurbishment
Grant Requested (£)	£150

- The Physical & Environmental Improvement Fund is to provide financial assistance for community initiatives aimed at improving the local area through Capital expenditure. Capital expenditure is something of a physical nature including the acquisition, improvement or structural enhancement of an asset valued at £6,000 or more.

- The Youth Inclusion Fund is to provide financial assistance for community initiatives aimed at working with Children and Young People. Applications should be for an activity (or activities) focused on including children & young people in activities, diverting young people from an existing undesirable activity or preventing them joining in with such activity. This should reflect a need that children and young people have been consulted on.

- The Small Grants Fund is for other applications that contribute towards achievement of the Dundee City Plan / Local Community Plan, usually up to £5,000, but there may be lower local restrictions on the amount. Therefore, it is important to check with the relevant Community Worker as listed on page 8 for any local restrictions or other requirements.

This application should address needs in one of the below Wards within which the Dundee Partnership supports activity. If an activity covers more than one Ward then an application is required for each Forum, but it is essential that each application can stand on its own if agreed and that the application is not for a city-wide activity, but a local activity that is to take place in more than one Ward.

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

### Before Starting on the Application, Please Consider and Complete the Two Questions Below:

**If these have not been completed, your application will not be progressed.**

Is the activity for which you are applying for funds definitely able to start on your proposed start date? (e.g. are staff and relevant resources available)

Yes

**Is the activity for which you are applying compliant with current social distancing and other measures in place to counteract the spread of the coronavirus?** Please specify how your activity will meet this requirement

Benches are all outside in the garden. Complex still advising the use of sanitiser and handwashing.

All complexes now have co2 monitors in the main lounges to encourage ventilation.

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

<b>Who is the grant for?</b> (Name of Applicant Group / Department)	Brington Sheltered Housing		
<b>Did you receive a Dundee Partnership grant during 2021-22?</b> (If yes, list all grants below)			<b>NO</b>
<b>Title of project funded</b>	<b>Amount granted</b>	<b>When</b>	<b>Was it fully spent?</b>

**Please give a description of what you want this grant for** - (Use additional sheet if required)

Brington Complex has a large garden area with a variety of benches and other wooden furniture.  
 Community Pay back teams are currently clearing and tidying the garden after the winter. They have offered to refurbish the furniture if tenants pay for the varnish.  
 The varnish is £50 per tin and staff estimate at least 3 tins possibly 4 will be required. Some of the furniture has not been treated for a few years so will need more than 1 coat

**Which City Plan / Local Community Plan Outcome(s) will it address?** East End Local Community Plan.  
 Improving mental health and wellbeing.

<b>How many people will benefit from this project?</b>	<b>MALE</b>		<b>FEMALE</b>	
100 tenants are registered at Brington and communal garden is open to all	<b>WHOLE COMMUNITY (tick if applicable)</b>			y

**Please say why the project is needed** (Use additional sheet / expand this text box if required)

Tenants in this area have limited access to safe seated garden areas as the flats do not have individual gardens and tenants are becoming frailer through increased Dementia and Physical Disabilities. This leads to increased risk of social isolation. As the complex garden is outside the lounge it is close to the wardens and access to disabled bathroom etc. Keeping the garden tidy and easy to access makes it more attractive to tenants. Using the garden will reduce isolation and tenants can become involved in some very low maintenance. As Brington is very sheltered housing, during COVID restrictions, tenants could not access communal areas in the building so the garden is an important space.

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

### What local consultation has taken place regarding this application?

(Please provide evidence summarising the results of any consultation)

The garden has been discussed with tenants at regular tenant warden meetings. These meetings have now resumed.

### What evidence do you hold that the local community supports this application?

(For example, was it proposed by members of a particular group? Does it directly address need identified by community members?)

Tenants asked about refurbishing the benches etc.

### How will the project / activity tackle deprivation or benefit those experiencing deprivation?

Older people are more at risk of social isolation and an accessible garden where they can sit with others will reduce this. Older people can also be targeted by bogus workmen etc. and as the garden is part of the complex with a warden on duty it may feel a safer place to sit out. The covid restrictions have also made it hard for tenants to re-engage with the complex.

### For Physical & Environmental Improvements (which must be Capital worth at least £6,000 in value) the following questions must be answered:

**Have all relevant permissions been agreed?** (please state what these are)

**How will the planned project be maintained?** (please state who will be responsible for this)

**What is the expected 'life' of the improvement?** (e.g. before it will require replacement)

**Could a plaque indicating the Community Regeneration Fund as a source be added on location for this award?** (If there would be additional costs for this, please indicate this in the budget section)

### What other sources of funding have you secured / tried to secure for this project?

- **If none, please state why this is the case**

(Detail below, including applications that are pending or that have been turned down. We may ask for further evidence of an application for other funding)

Source of Funding (detail if this funding is for more than 1 year, if applicable)	£
OPEN funding is now available but used for other activities	480

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

**What are the costs of your activity and how much money is required?** Please give specific details (expand list / use an additional sheet if required) and provide all quotes (good practice for applications for over £5,000 is to provide three quotes to ensure value for money is received, and we will require to see these where relevant).

Cost Heading	Full Costs (£)	DP Aid (£)
External varnish £50 each x 3	150	150
(verbal prices from Community payback staff)		
<b>Totals</b>	150	150

- **All applicants are required to submit a copy of the group's most recent annual accounts with this application. These will be used to help determine eligibility for funding, and without them an application will not proceed**
  - **If reserves held are less than three months operating expenses please confirm this below**
- Note that if you have already submitted your accounts within this financial year, further copies may not be needed - please check with the Dundee Partnership Team if unsure

**What other documents are you attaching to evidence the budget costs for this application?**  
(e.g. quotes, estimates, projected income and expenditure)

Bank statement,

**How do you intend to monitor the project Outputs and Outcomes?**

Warden will report on use of garden.

**What is the planned start date of the event/activity?**

Please note turn around on applications is 6 - 10 weeks and funding cannot be retrospective (*see section 2 of the guidance notes*)

Feb 2023

**What is the planned end date of the event/activity?**

March 31<sup>st</sup> 2023

## GUIDANCE NOTES

### Section 1 - Criteria & Requirements

If you require assistance in completing this form, please contact your local Community Worker using the details given on page 9.

#### CRITERIA

- Applicants must highlight the relevant Outcome(s) relating to their application from the City Plan or Local Community Plan (see section 3 below) and **explain how their application will assist in closing the gap for the most disadvantaged people and children i.e. those living in Community Regeneration Areas (CRA)**
- It is expected that applicants will explain how the application may assist in delivering on actions in the relevant Local Community Plan (available at [www.dundee.gov.uk](http://www.dundee.gov.uk) under Community Planning or from local Community Workers)
- **It is also preferable for applications to focus on the 15% most deprived areas as set out in the Scottish Index of Multiple Deprivation** (Community Workers will provide appropriate maps upon request). These are mostly within the CRA boundaries.
- Forums will be expected to demonstrate that they are supporting the Dundee Partnership's commitment to tackling deprivation by 'closing the gap' between the best and worst off in Dundee. For further information please refer to 'For Fairness in Dundee' (copies available from local Community Workers)
- All applicants applying to fund or part-fund staff costs must be paying the staff member(s) at least the relevant Scottish Living Wage hourly rate. <https://scottishlivingwage.org/what-is-the-real-living-wage/>
- Applications for Physical or Environmental Improvements must be made up of at least £6,000 of Capital development
- Applications **from school staff and parent councils are no longer eligible for Small Grants or Youth Inclusion funding**. Consideration should instead be given to applying for Pupil Equity Funding or other external funding. Applications for Physical & Environmental applications are still allowed

#### REQUIREMENTS

- **All applicants must submit the latest copy of their annual accounts.** These must clearly show what funds are available to the applicant i.e. the level of reserves held, and the overall annual expenditure of the applicant and will be used to help determine eligibility for funding
- **Estimates / Quotations for expenditure are necessary in all cases** and detailed quotes (including company number and other details) are required, particularly where expenditure is greater than £5,000 to demonstrate value for money. Good practice is to secure three competitive quotes for larger items of spend and these should all be submitted along with the application as evidence of seeking value for money
- All applications for Physical or Environmental Improvements must state how maintenance will be carried out
- **All Small Grant & Youth Inclusion agreed funding must be spent by 31<sup>st</sup> March 2022.** An extension beyond 31<sup>st</sup> March may be available for Physical & Environmental Improvement approved funding. Unspent funds will be reclaimed

#### ADDITIONAL GUIDANCE

- Where possible, applicants should seek funding from another source before applying for DP Community Regeneration Funding. This will help it maximise the overall level of funding available to communities across Dundee. In order to achieve this, applicants should plan and apply well in advance of their activity taking place
- During 2021-22 the Dundee Partnership Team will be scoring each application against a set of regeneration priorities. Scores will be used to help guide Community Regeneration Forums in their decision making processes. Scores will be assigned based on answers given to questions in the application form. Priorities focus on; community support for the activity, local consultation, geographical targeting, targeting of disadvantaged groups, tackling deprivation, increasing community capacity, contributing to local and/or city plans, making a measurable difference, and making a longer term difference.

- 3) Community Workers will contact all applicants as part of the Assessment process prior to discussion of the application at the Local Community Regeneration Forum
- 4) Applicants will be informed of the final decision on their application after the relevant meeting of the council's Building Stronger Communities Group
- 5) If applications are unsuccessful at any point during the process, the applicant will be notified in writing by the Dundee Partnership Team
- 6) Successful applicants will be required to sign an acceptance agreeing to the terms and conditions. These are required to be with the Dundee Partnership Team before money is released for successful applicants
- 7) **Payments cannot be made retrospectively** (all activity and expenditure must be after the approval date at Building Stronger Communities)
- 8) Providing monitoring returns on performance and financial expenditure are part of the terms and conditions relating to an award. These forms will be provided by the Dundee Partnership Team to successful applicants. **Failure to provide these reports will result in any further applications being rejected until such time as satisfactory reports have been received**
- 9) If your award is for year round activity (April to March), an interim report on performance and financial expenditure must be submitted by the 31<sup>st</sup> October. **Failure to submit this will also result in any further applications being rejected until such time as satisfactory reports have been received**

## DUNDEE PARTNERSHIP FUND CRF GRANT APPLICATION

### Section 3 - Outputs & Outcomes

Applicants should select the appropriate Dundee City Plan Outcome or Local Community Plan Outcome to which their application relates most closely and within which their outputs and outcomes can be recorded. (Both plans are available at ([www.dundee.gov.uk](http://www.dundee.gov.uk)).

#### ACTIVITY OUTPUTS & OUTCOMES

##### Outputs

These are details of activities (i.e. *what you will do*) and will have numeric targets such as:

- Hold a community event for 400 people. Target = 400 people
- Hold 10 daytime activity sessions over a 10 week period. Target = 10 sessions (you would also be likely to include an output and target for the numbers attending each session)
- 8 hours of street work by two workers per week over 50 weeks. Target = 400hrs

**Please only include outputs that are key to the activity/project.** If you are unclear about what you should include, contact your local Community Worker in the first instance.

##### Outcomes / Indicators

These are measures to show the impact of the activity/project (i.e. *what difference you will make and to whom*). There does not have to be a set target, but a numeric response should be possible at the end of the activity

Whilst setting out the outcomes / indicators, **applicants need to be sure that these will be measurable from their recorded data** (or other data that they are able to access) for their own benefit, that of the Forum and of the Dundee Partnership. If you are unclear about what you should include, contact your local Community Worker in the first instance.

- Number of participants reporting an increased knowledge of the benefits of exercise (could be recorded on feedback forms)
- Young people will better understand the dangers of substance misuse (again a feedback form could be used)
- There is a reduced level of reported anti-social behaviour and criminal activity (information from the police could be used)
- Local residents report being happier with their local area (this could be based on information from annual DCC questionnaires or other, more specific, feedback gained at e.g. community events)

#### COMMUNITY WORKERS

Each of the Wards listed below has a Community Worker/Communities Officer with a specific responsibility for supporting the activity of the local Community Regeneration Forum, including providing support to potential applicants. The contact details for these workers are given below.
